What you need to know about enrolling in Medicare

If you are turning **age 64** this year, we can help you make informed choices about your Medicare options! Do you understand what Medicare is and isn't... how to avoid penalties for late enrollment in Medicare... and how to get the most out of your health and prescription benefit plans? **Some decisions and actions about Medicare can take place 3-6 months before you turn 65, so don't wait until you are turning 65 to understand all you need to know about this important benefit.**
